

CTK E-News- January 11, 2018

God chooses disciples for the most special work to be done. This weekend we look at Jesus starting to choose His disciples. He simply says, "come and see." I'm thinking if it works for Jesus it can work for us!

May God bless and keep you this week as you live into this world God has made. Like the first disciples you and I are invited to walk along with Jesus of the scriptures. How blessed are we!

Peace be with you...

Vicar Ken

PS: Join us each week on Wednesday for prayer and open discussion at noon. Feel free to bring your lunch with you! This is a great time of fellowship as we pray for people, issues and each other.
